How Many Berners: 1

Favorite Activity: cuddling

This is Magnolia, aka Maggie. She is named after the Grateful Dead song Sugar Magnolia. I got her as a one-year-old from a farm in Kansas. Her favorite activities include eating snow, sleeping, getting belly rubs, following me around the house, going to the dog park, and eating treats, especially chicken. She and I both love cheese as well! I work as a mental health therapist and sometimes my clients get to see her on the telehealth camera. She is basically famous wherever I take her, with people stopping me every minute telling me how wonderful and beautiful she is! She really is and I am so glad to have her in my life. I have only had Maggie since October 2021, and she has been there for me ever since. She has helped me navigate a break-up, a cross country move, and makes every day brighter! So thankful for Maggie and excited to be a part of this Berner group!

Congratulations Teddy!

The AKC® Humane Fund is proud to announce the winners of the 22nd annual AKC Humane Fund Awards for Canine Excellence (ACE). These awards celebrate five loyal, hard-working dogs that have significantly improved the lives of their owners and communities. The five winners were carefully chosen from a pool of nearly 1,000 impressive nominations. The winners in each category were featured in a special broadcast that aired December 2, 2021, on ESPN2. The program will re-air multiple times on ESPN Networks (check local listings) and will be available for on-demand viewing on the ESPN App.

One award is presented in each of the following five categories: *Exemplary Companion, Search and Rescue, Service Dog, Therapy Dog, and Uniformed Service K-9*. This year's winners range from a Labrador Retriever who uses his ice-skating skills to help children with developmental disabilities to a Bernese Mountain Dog who helps people bridge the gap between a traumatic event and the connection to mental health support through therapy work.

“The heartwarming stories of these five ACE Award honorees demonstrate the many ways that our canine companions uplift humankind each and every day,” said Doug Ljungren, President of the AKC Humane Fund. “We are grateful to everyone who shared their story by nominating a dog for an ACE award this year. We are pleased to be able to pay tribute to these five canines with the 2021 ACE awards.”

The 2021 AKC Humane Fund Awards for Canine Excellence are proudly sponsored by Eukanuba™. Each ACE recipient will receive \$1,000 to be awarded to a pet-related charity of their choice, a one-year supply of Eukanuba premium dog nutrition, and an engraved sterling silver medallion.

This year's ACE Therapy Dog winner is: **Teddy, a Bernese Mountain Dog owned by the Brown family of Attleboro, Massachusetts.**

“Teddy,” officially known as Steadfast Bright Lights Prince Theodore CGCA TKA, is an eight-year-old Bernese Mountain Dog owned by George, Pamela, and Caleigh Brown of Attleboro, Massachusetts.

K9FR Canine Teddy is certified by Dog Bone's Therapy Dogs and K9 First Responders, Inc. Uniformed K9 First Responder Teams (K9FR) bridge the gap between a traumatic event and the connection to mental health support by leveraging the human-canine bond. In this capacity, Teddy has provided support for people in a wide range of situations, including going into a prison, following the untimely death of a young corrections officer, and comforting EMS personnel

after the death of a beloved coworker. Most recently, Teddy and George deployed to support the US Capitol Police, providing one-on-one and group attention.

As a therapy dog, Teddy visits schools and is a member of one school's Suppress the Stress club. He works as a reading companion dog for educationally challenged children and visits classrooms to offer support for students and teachers. Teddy also attends adult day programs for developmentally disabled adults.

When Teddy isn't bringing comfort to those in need, he is often competing with his high-school-aged owner, Caleigh, in conformation, obedience, and other performance events.

Meet Caleigh Brown at the Therapy Dogs presentation at the Annual Meeting on April 24. See page 5 for more information.

Bernese Mountain Dog Club of Nashoba Valley Annual Meeting **Join us on Zoom, Sunday, April 24 beginning at 10:30AM.**

Therapy Dogs **101**

Meet Nashoba members Heidi Henderson, Barbie Beck-Wilczek, and Caleigh Brown, who will talk about how to prepare for this work and what it takes to be a Therapy Dog Team. They will share stories about their amazing partners and the human-canine bond shaped through the work they do being present to offer comfort and making connections that offer social, emotional, and health benefits that improve the quality of life of those who experience it.

Heidi Henderson is a Therapy Dog Evaluator for Pet Partners in Vermont.

Barbie Beck-Wilczek enjoys doing many activities with her dogs and has shared them as therapy dogs over the last thirty years. As part of the Dogs In Service Pet Assisted Therapy Program, she and her Berner Mac were present at the Family Assistance Center at Liberty State Park, across the Hudson River from 911's Ground Zero.

Caleigh Brown is a junior high school student whose interest in dog shows led her to Thunder Hill Canine Encounters 4-H, a youth-led program in Norfolk County where she developed her training and leadership skills. Her family's Berner, Teddy, is certified as a Therapy Dog and K9 First Responder, and was a recipient of the 2021 AKC Humane Fund Award for Canine Excellence in the Therapy Dog category for support work in a wide range of situations.

The BMDCNV draft workshop on February 20 was a huge success! We had fifteen teams participating and a host of experienced instructors & assistants! All participants said that they left feeling they had made progress...and had fun doing it!

None of this could have happened without the assistance of a whole gang of club volunteers. Huge thanks to all of them: Tina & Sam Sirico, Beth & Phil Atkinson, Alison & Tom Jaskiewicz, Celeste O'Malley, Marjorie Cottle, Jeff Nowak, Mary Durham & Allison Harding.

We're really eager to schedule another session in April or May and of course, Spring Fun Day is always a good opportunity for practice.
